Tractor Accessories List | Mahindra Tractor Parts ...

Authentic solution to ensure safety to the tractor as well as the clutch plate. Acts as a unique anti-theft device which prevents the tractor from moving even after starting the engine. Automatic de-clutching, to protect the clutch plate during long parking periods. Single piece strong stainless steel rod which is difficult to cut open.

Tractor - Wikipedia

A tractor is an engineering vehicle specifically designed to deliver a high tractive effort (or torque) at slow speeds, for the purposes of hauling a trailer or machinery such as that used in agriculture, mining or construction. Most commonly, the term is used to describe a farm vehicle that provides the power and traction to mechanize agricultural tasks, especially (and originally) tillage ...
