## Raptor Definition - Birds of Prey

Jan 07, 2020 · Birding for Raptors . Many birders are interested in seeing more raptors, and fortunately, it is easy to add birds of prey to one's life list. Raptors are found in all types of habitats, and because these are larger birds, they are often easier to see and identify, particularly for novice birders. At the same time, since raptors require large territories and are relatively solitary birds, it
